¹Students will be awarded 43 credit of bridge hours after the completion of ALHE 3010 and ALHE 4070.

Students seeking admission to the Respiratory Therapy Degree Completion program must meet the following criteria:

College GPA of 2.5 or better on a 4.0 scale on all transferable credit;

Transcript(s) - proof of graduation from an accredited allied health professional program in Respiratory Therapy or hold certification in respiratory therapy;

Licensed or eligible for professional licensure in the discipline.

Students that have successfully completed an Associate of Applied Science in Respiratory Therapy are eligible for enrollment into the online BS completion program. Regular meetings with the academic advisor for this program are strongly recommended.
