

The Tennessee Poll Spring 2024 Questionnaire

Version date : 20240625 Final

Hi, my name is ___ and I am calling on behalf of East Tennessee State University. Just so you know, I am not trying to sell or market anything. We are conducting the Tennessee Poll which is a statewide survey with Tennessee residents to gather your thoughts and opinions on things that impact your health, education, and quality of life in Tennessee. Again, we are not polling for a political candidate nor will we ask for any donations or money. This is simply to ask Tennesseans their opinions on a variety of issues.

[For landline numbers] May I speak to the YOUNGEST ADULT MALE in the household?

- If no male, Okay, may I speak to the YOUNGEST ADULT FEMALE in the household?
- IF only male or only female (regardless of age): okay, well, if you are the only male/female in the house then you are the one we would like to speak to.
 - o Once correct person on line: The survey should take about 10 minutes depending on your answers and you answer only the questions you want to. May I ask you a few questions?
 - o [If no] okay, is there a better time that I can call back to reach him/her?
 - [If yes] Schedule call back time
 - [If no] Disposition call

[For Cell Phone Numbers] The survey should take about 15 minutes depending on your answers and you answer only the questions you want to. Our records indicate that we are likely calling you on a cell phone. Are you in a safe place that I may I ask you a few questions?

- [If yes] continue

[If no] Okay, is there a better time that I can call you back?

- [If yes] Schedule call back time
- [If no] Disposition call

[INTRO SCRIPT]

Great, thank you for agreeing to take our survey. As I mentioned, this is the Tennessee Poll and it is being conducted by Dr. Kelly Foster at East Tennessee State University. I will provide you with Dr. Foster's contact information at the end of this call if you would like it. Also, please know that your responses are confidential and will only be reported in group form – they will never be linked to your phone number or identify you in any way.
