

CLEMMER COLLEGE

EAST TENNESSEE STATE UNIVERSITY

Field Experience Verification

Field experiences allow students the opportunity to complete observational or hands-on experiences within a classroom of a partnering school district. Students encounter multiple field experience opportunities working through our programs within Clemmer College. These experiences expose students to many teaching styles and pedagogies. It is critical for students to observe and apply real world practice to what is being taught in the classroom. The Office of Educator Preparation would like to thank you for allowing our students to complete a field experience in your classroom.
