

Area Specific Preventative Custodial Measures (ETSU & CoM)

Common Areas (Lobbies, Elevators, Study Rooms, Hallways, Stairwells)

- Post Covid-19 signage in all areas.
- Deep clean all common areas every evening and disinfect high-touch surfaces with electrostatic sprayers:
 - Doorknobs, light switches, handrails, tables, countertops, public printers, push-buttons on vending machines and elevators, and lobby furniture.
- Maintain hand sanitizer stations at entrances. Periodic checks throughout the day to ensure operability.
- Keep interior hallway and stairwell doors propped open where it does not present security or safety risk.
- Periodic checks on disinfectant wipes to ensure availability.
- Personal offices will not be entered or cleaned. Staff will be responsible for cleaning their office space. Custodial to provide cleaning products to staff per request.

Classrooms

- Deep clean all classrooms every evening and disinfect high-touch surfaces with electrostatic sprayers:
 - Doorknobs, light switches, handrails, tables, desktops, seating, and computers in computer labs.
- Re-arrange and maintain classroom furniture to promote social distancing.
- Check and maintain all Covid-19 related signage.
- Check disinfectant wipes and ensure availability.

Community Restrooms

- Deep clean and disinfect all surfaces every evening.
- Maintain Covid-19 related signage.
- Close common restrooms for 30 minutes during university business hours in all occupied facilities for daily disinfecting using electrostatic disinfecting sprayers. Signage will be posted during closure times:
