COLLEGE OF NURSING UNDERGRADUATE PROGRAMS
3rd Semester Spring 2017 Clinicals
NRSE 3541 (Adult Care I Practicum)
NRSE 3091 (Care of Persons with Mental Illness Practicum)

You will have two clinicals this semester. Students are required to register for the SAME section for both NRSE 3541 and NRSE 3091.

NRSE 3541 clinical hours are estimated to be 0630-1530.

NRSE 3091 clinical hours are estimated to be 0700 – 1700.

Rotations for NRSE 3091 are 4 weeks each. The Community and Sim Days are in addition to the 4 weeks and are on the same day as the clinical.

This schedule will be altered for the first few weeks to accommodate for course orientations, math exams, time spent in the lab and facility orientations.

*If you are registering for a section at the VAMC, please note – the VA has some additional requirements that must be completed prior to the semester starting. There will be information regarding these requirements emailed to students. It is VERY important that students respond to these emails in a timely manner so that clinicals may begin as scheduled.

ALL OF THE ABOVE INFORMATION IS SUBJECT TO CHANGE BASED ON CLINICAL SITE AND FACULTY AVAILABILITY. STUDENTS WILL BE NOTIFIED OF CHANGES AS THEY OCCUR.
