EAST TENNESSEE STATE UNIVERSITY COLLEGE OF NURSING

Admissions Criteria for RN to BSN

Contact Information: Nursing@etsu.edu or 423-439-4578

Application Deadlines

Summer: February 1

1. Students must be in progress or have completed and Associate degree in Nursing as well as the following 4 Nursing Pre-requisite classes: Anatomy and Physiology I and II (with labs), Intro to Microbiology (with lab), and Probability and Statistics. At least 3 of the 4 pre-requisite math/science classes must be completed prior to the application deadline and the pre-req courses must be less than 5 years old.

Students are allowed one unsuccessful attempt per pre-requisite math/science; grades below a "C" (C-, D+, D, and F or W/WF) are considered unsuccessful attempts.

*Transfer students are responsible for making sure courses taken at other institutions are equivalent to ETSU General Education courses. For further information about transfer equivalency, go to

https://www.etsu.edu/articulation/equivalencies.php/

Students who have already earned an AA/AS or any bachelor's degree will have completed all of the general education requirements. RN to BSN students are allowed to complete remaining general education requirements while in the RN to BSN program.

- 2. GPA requirements: 3.0 overall gpa and 2.75 in nursing pre-reqs.
- 3. Students must apply to the College of Nursing using the Centralized Application System (Nursing CAS). Official Transcripts from all colleges attended (including dual enrollment during high school) must be sent to CAS. Transfer students must also apply for General Admission to ETSU as a Health Professions Nursing Interest (HPNU) applicant. This should be done well in advance of the application deadline and more information can be found on the ETSU Admission's website (https://www.etsu.edu/admissions/).
- 4. ETSU College of Nursing does NOT require references, a personal statement or professional experience for admission.

RN to BSN Nursing Class Schedule

1st semester

Credit Hours

NRSE 2016	Pathophysiology	4
NRSE 2030	Health Assessment	4
NRSE 3010*	Pharmacology	3

^{*}Students who earn their ADN at a TN Board of Regents schools automatically receive transfer credit for NRSE 3010 Pharmacology.

2nd semester

	Health	
NRSE 3525	Promotion and	
	Research	3
	Population,	
NRSE 3510	Community,	
	and Public	
	Health Nursing	3

	Nursing Practice	3

3rd semester

	Health Care	
ND CE 4255	Systems and	
NRSE 4355	Informatics for	
	Nurses	4
NRSE 4062	RN Practicum	5
	Leadership and	
NRSE 4620	Professional	
	Practice	3

Frequently Asked Questions

1. What is the application deadline for the RN to BSN (Bachelor of Science in Nursing) program?

February 1 for the summer semester; effective Summer 2023, the RN to BSN program will only admit in the Summer. The application will be available online 45 days prior to each deadline.

2. What application system do you use for the RN to BSN application?

<u>Nursingeas.org</u> We'll also offer multiple nursingeas information sessions via zoom prior to each deadline. Please check the College of Nursing website for more information or call the front desk at 423 439 4578.

3. Do I have to have my RN license before I apply?

Students have one semester to earn a TN RN license and must have successfully completed an Associate's degree in Nursing.

4. What if I still need to take general education requirements?

That's fine! Students can complete any remaining general education courses while taking BSN courses.

5. What are the minimum gpa requirements?

Students are required to have a 3.0 overall and at least a 2.75 in the four pre-requisite courses.

6. I want to transfer to ETSU and apply to the nursing program. Where do I send my transcripts?

The process requires two applications—one to ETSU Undergraduate Admissions and one to the College of Nursing through the Nursing Centralized Application Service (nursingcas.org). Send transcripts to CAS. We suggest contacting an advisor to determine if you are ready and eligible to apply to our program. Below are the links to both the College of Nursing (https://www.etsu.edu/nursing/) and ETSU Undergraduate Admissions http://www.etsu.edu/admissions/.

7. Do courses taken a long time ago still count?

General education courses and electives do not "expire". However, you must have completed the pre-req courses within the last five years.

8. How long does it take to earn the BSN degree?

Students should expect to complete the nursing courses in three semesters; however, that depends on how many remaining general education courses the student still needs to complete.

1 st semester	2 nd semester	3 rd semester
NRSE 2016	NRSE 3525	NRSE 4355
NRSE 2030	NRSE 3510	NRSE 4062
NRSE 3010*	NRSE 3200	NRSE 4620

^{*}Students who earn their ADN at a TN Board of Regents schools automatically receive transfer credit for NRSE 3010 Pharmacology.

9. How much does it cost to attend ETSU?

ETSU charges per credit hour, so each semester will cost a different amount. There are also course fees, books and supplies that add to the cost. To calculate the approximate tuition (either in state or out of state) go to: https://www.etsu.edu/paying-for-college/estimator/ to see the cost per credit hour.

10. Do you offer online classes for this program?

The RN to BSN is entirely online and students are able to complete any remaining general education courses online as well.

COMPASS CORE & MAJOR PREREQUISITE CHECKLIST

NURSING MAJOR PREREQUISITE REQUIREMENTS
MATH 1530, HSCI 2010/11, HSCI 2020/21 satisfy general education requirements, while HSCI 2230 is a nursing prerequisite ONLY. 3 of the 4 must
be completed before application. These courses must be completed within last 5 years.
Quantitative Descening (2 analita)
Quantitative Reasoning (3 credits)
MATH 1530 Probability & Statistics non-calculus
Natural Sciences (4 + 8 additional credits for nursing) Both courses in sequence.
HSCI 2010 / 11 Anatomy & Physiology I w/lab
HSCI 2020 / 21 Anatomy & Physiology II w/lab
HSCI 2230 / 31 Intro to Micro w/ Lab

Learning Support

Learning support requirements can be found in DegreeWorks. These requirements are determined by ACT/SAT subscores and/or Accuplacer tests

***Additional Graduation Requirement (Students should complete this course prior to beginning major courses)

CSCI 1100/1150 Using Information Technology & Lab OR Proficiency Exam

Students required to complete **learning support in reading** must enroll in a learning support-designated section (L01-L99) of COMM 2025 during their first 15 credits at ETSU (not including summer). These students are advised by University Advising Center until they fulfill the Learning support reading requirement and then are transitioned to major advisor.

Students required to complete **learning support in writing** must enroll in a learning support-designated section (L01-L99) of ENGL 1010 during their first 15 credits at ETSU (not including summer) unless they are also required to complete learning support in reading.

Students required to complete learning support in mathematics must enroll in a learning support-designated section (L01-L99) of MATH 1530.

Additional info is found at www.etsu.edu/uac/learningsupport/
