REGISTRATION PREPARATION

This guide provides information and directions for registration each semester. The university catalog is the official publication of the university and should be consulted by all students in matters relating to academic policy and program planning.

Disclaimer

Course offerings in GoldLink do not constitute a contract between students and the university. The university reserves the right to add, delete, or change courses or sections as circumstances may require.

The Family Educational Rights and Privacy Act

The **Family Educational Rights and Privacy Act** (FERPA) affords students certain **rights** with respect to their education records. They are:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate **educational** interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her task. A school official has a legitimate **educational** interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university discloses education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll. Personally identifiable information may also be released without the prior written consent of the student under one or more of the conditions listed below:

In addition to other disciplinary action, the university reserves the right to notify a parent or legal guardian of a student under the age of 21 who is found guilty of violating federal, state, or local law or any rule or policy of the university governing the use or possession of alcohol or a controlled substance when it is believed that such behavior poses a serious threat, either by the severity or the repetitive nature of the behavior, to the welfare of that student or others in the community. The implementation of parental notification will be at the discretion of the Dean of Students. However, should the parent ask for such information, it will be released to the parent.

Upon request the university will disclose the final results of any disciplinary proceeding conducted by the university against a student who is an alleged perpetrator of any crime of violence (as that term is defined in section 16 of Title 18, United States Code) or a non-forcible sex offense, if the university determines as a result of disciplinary proceeding that the student committed a violation of the institution's rules or policies with respect to such crime or offense. The information shall include only the name of the student, the violation committed, and any sanction imposed by the university on the student. The university may include the name of any other student such as a victim or witness, only with the written consent of that other student. The university will notify victims of sexual assault of the outcome of any disciplinary proceeding against the alleged perpetrator.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by East Tennessee State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education, 600 Independence SW, Washington, DC 20202-4605.

Undergraduate Advisement Requirements

ADVISEMENT (<http://www.etsu.edu/advisement>)

Definition: Advisement at ETSU is a continuous interactive process between an advisor and student which facilitates the development and achievement of the student's overall goals. Advisement is a distinct part of a student's educational experience, provided by ETSU as a service.

RESPONSIBILITY: A successful relationship between an advisor and student depends upon shared responsibility. Advisors and others at ETSU provide mentoring, advice, referrals, and information to help students make wise, informed decisions. The relationship students develop with their advisor is important to their success at ETSU. Students should consult with their advisor each semester and especially before making decisions that may affect their academic progress and success. Discussions with the advisor may include: understanding degree requirements, dropping a class, withdrawing from ETSU, selecting courses, and exploring career options.

Students are ultimately responsible for their academic decisions, including course selection, meeting prerequisites, and adhering to policies, procedures and deadlines at ETSU.

Mandatory advisement: Advisors are a personal link between the student and the university. All students have an advisor and should confer with their advisor each semester or when questions arise. In fact, ETSU **requires most students** consult with an advisor before registering each semester. Students will have an advisement hold each semester that will prevent registration until student has consulted with their major advisor. Students can view advisement holds on GoldLink.

How to Find Your Advisor: visit the Advisor Contact List at <http://www.etsu.edu/advisement>. If you need help identifying your advisor contact the Advisement Resource Career Center (ARC) located on the 2nd level of D.P. Culp Center, 423-439-8650, arc@etsu.edu, for additional information and referrals.

Additional advisement opportunities:

- Some students may have multiple advisors (major, minor, program, licensure) who will provide advisement in these areas.
- Students taking classes at ETSU Kingsport Allandale may contact the Kingsport Center for advisement information (423-392-8000).
- Other advisement or support areas such as Athletics, Adult, Commuter, and Transfer Services (ACTS), Student Support Services or Medical Professions Advisement may contact students to discuss additional advisement opportunities or requirements.
- Students who are pursuing secondary education licensure should contact the College of Education during their first semester at ETSU (423-439-7626).
- All students will benefit from conferring with their assigned advisors on a regular basis.

GENERAL INFORMATION

Academic Calendar

To view the Academic Calendar visit <http://www.etsu.edu/etsu/academicdates.asp> or go to the main ETSU webpage at <http://www.etsu.edu> and click the Current Student tab. Under the Academics section click the appropriate link next to Academic Calendar.

ACT or SAT Requirement

All freshmen under 21 years of age enrolling for the first time for regular degree credit programs will be required to take the ACT or SAT test and have scores on file in the Office of Admissions before registering. The requirement that new students take the ACT or SAT test is part of a plan adopted by the Tennessee Board of Regents to better assess students' abilities and improve their progress at all of the institutions governed by the regents. ACT or SAT scores will be used to identify students who are required Learning Support.

**ACT or SAT scores will be used to identify students who may need learning support to improve their performance in degree programs.

COMPASS Testing

If you are required to take a COMPASS exam, you must register for the exam through the University Advisement Center. Call 439-5244 for registration details.

Adding and Dropping Courses

Adding a Course: Courses may be added during the late registration/late add period without special permission, unless the course has reached the established maximum enrollment. To add any class that has reached the enrollment limit requires permission of the instructor and department chair. After the late registration/late add period, special permission must be obtained from the instructor, the department chair, the dean, and the registrar.

Dropping a Course: Courses may be dropped during the first eight calendar weeks of a regular semester. Courses dropped during the first two weeks will not appear on the student's permanent record. Students who drop a course after the second full week of classes through the eighth calendar week will receive the grade of 'W.' (During the summer or winter session, or when courses do not conform to established term dates, this schedule is adjusted appropriately to fit the condensed time frames.)

Once enrolled, students may not drop courses meeting Learning Support requirements without written permission and under special circumstances as determined by staff in the University Advisement Center located in the ARC, 2nd floor DP Culp Center.

After the eighth week, students may not drop a course except where verifiable, extenuating circumstances can be demonstrated. Verifiable extenuating circumstances are reasons beyond the control of the student, such as illness or accidental injury. Poor performance in a class is not an extenuating circumstance.

Students seeking permission for late drops must present a petition to the dean of the college or school in which they are majoring as of the beginning of the semester. Students whose majors are undecided must apply to the University Advisement Center located in the ARC (2nd level of D.P. Culp Center.)

If a late drop is approved, the student will receive a grade of 'W' (Withdrawn) or 'WF' (Withdrawn-Failing), as assigned by the instructor of the course.

It is the student's responsibility to register for courses that are needed to satisfy graduation requirements. Transfer courses must be reflected on the student's transcript before being recognized as meeting degree or prerequisite requirements. It is the responsibility of all students to review completed coursework prior to registration to avoid unnecessary repeats.

Late add, late drop and withdrawal forms available online at: <http://www.etsu.edu/reg/forms.aspx>

Withdrawing from the University

Students may withdraw from all classes through the published last day to withdraw for a term. Students withdrawing during the first two weeks of classes will not have those courses appear on their permanent records. Withdrawals from the university from the beginning of the third week through the end of the eighth week will be recorded with a grade of 'W.' Withdrawals from the university after the eighth week will be recorded with a grade of 'W' or 'WF' at the discretion of the instructor. (During the summer session or other shortened terms, this schedule is adjusted appropriately to fit the condensed time frame.) All requests for withdrawal from the university must be received in the Office of the Registrar no later than the close of business hours two days before the last day of classes of any academic term. Students will not be permitted to withdraw from the university after that date.

Students who do not withdraw by the official procedure will receive an 'F' for each course.

Student Responsibility to Verify Registration through GoldLink Transactions

When doing any scheduling transaction using *GoldLink* (example: dropping, adding, withdrawing) it is the student's responsibility to verify that transaction by checking the status on the student detail schedule on *GoldLink*. This will ensure that the action has been completed successfully. The student is responsible for confirming that the drop or withdrawal was received and correctly processed using *GoldLink*. Students stating they "attempted" to drop or withdraw by *GoldLink*, but the transaction was not completed will not be permitted consideration of a late drop or withdrawal.

Milligan College/Emmanuel/ETSU Agreement

Full-time undergraduate students (12 credits or more) may take courses at Milligan College and Emmanuel School of Religion. Courses taken through this agreement may be used for elective credit only. Students who wish to cross enroll under this plan may obtain additional information from the Office of the Registrar, Burgin E. Dossett Hall, Room 101.

Undergraduate Pass/Fail Grading Policy

The purpose of this policy is to allow qualified undergraduate students to explore, in a limited manner, their interests and ability in courses of study that are unfamiliar to them and to receive a pass or fail grade instead of a regular letter grade. Consult the current Undergraduate Online Catalog for the complete policy.

Audit Policy

Students are permitted to enroll in regular university courses as auditors. Registration fees are the same for audit as for credit. Regular attendance is required. Audit enrollment will not be considered part of the 12-credit minimum required for a full-time load. Audit enrollment will be counted in determining overloads.

After the published "Last Day to Add a Course" students may not change their enrollment status in a course from credit to audit or from audit to credit.

Persons 60 years of age or older who are domiciled in Tennessee may audit courses without payment of registration fees, if space in the classroom is available. Arrangements should be made through the director of Admissions. Other unclassified part-time students may enroll for noncredit seminars by paying the fee designated for each term.

Students auditing courses may be administratively dropped by the instructor for unsatisfactory class attendance.

Undergraduate Students Repeating a Course

http://catalog.etsu.edu/content.php?catoid=11&navoid=522#Repeating_a_Course

The following regulations apply to repeating courses:

- For a course the student repeats, only the most recent attempt (excluding 'I', 'W', or 'WF' grades) will be used in calculating the grade point average. However, all grades earned in the third and subsequent attempts will be used in calculating the summary line (grade point average).

Note: All courses attempted count in hours attempted and all attempts will continue to show on the record.

Graduate Students Repeating a Course

If a student chooses to repeat a course, all grades earned are computed in the grade point average. The grade earned on the repeat does not replace the original.

Academic Dismissal

Period of Suspension

At the end of the semester of academic probation, a student who has failed to attain either the cumulative GPA standard or a 2.0 GPA for the semester will be suspended one major term (spring or fall semester). The summer semester does not fulfill the requirement as a term of suspension. On the second (or subsequent) suspension for failure to meet academic retention standards, the period of academic suspension is for two semesters or longer and requires that the appeal procedure for reinstatement be followed. Re-enrolling at ETSU after serving a period of indefinite academic suspension will require the completion of an application for readmission. Enrolling at another institution during a period of academic suspension will result in being required to meet the transfer admission requirements for readmission to ETSU.

Appeals for Readmission Following Suspension

Where extenuating circumstances are established as primary factors relating to low grades, a student may petition to waive the period of suspension. This petition must describe the verifiable, extenuating circumstances which may include: illness as evidenced by medical documentation; personal problems; accidental injury; or other circumstances beyond the student's control.

Upon receipt of (1) the written petition, (2) a current academic transcript, and (3) any supporting documents, a preliminary decision will be made as to whether there are satisfactory, extenuating circumstances to warrant a formal appeal hearing. If granted, the student will be notified of the time and place of the appeal hearing before representatives of the Office of Student Affairs and the dean's office of the student's major area of study. If the appeal hearing is declined, the student may contact the academic dean in the college in which the student is majoring for a review of the decision.

<http://www.etsu.edu/students/currentstudents/academicappeals.aspx>

Undergraduate Class Load Policy

Standard Load: The minimum number of credits for full-time enrollment is 12 credits. The normal (average) course load is 16 or 17 credits for full-time students. The maximum course load is 19 credits, unless permission for an overload is approved. ***Winter is considered part of the Spring term so those courses will be factored in the overload hours.

Overload: The academic advisor and the dean of the student's college/school must approve, in writing on the appropriate form, registration for an overload. Following completion of 45 credits, students with a cumulative 3.0 GPA may be approved for up to 21 credits. Graduating seniors who do not have grade point deficiencies, may be approved to enroll for up to 21 credits in order to complete graduation requirements during that term. Audit enrollment will be included in determining all class overloads.

Probationary Load: Any student on academic probation at the time of registration may enroll for not more than 13 credits, including audits, except by approval of the student's advisor and college/school dean.

Exceptions: Exceptions to the class load policy, as stated above, require approval of the academic advisor, college/school dean, and the Vice President for Academic Affairs (or designee).

Graduate Class Load Policy

Graduate Course Load: The course load for full-time graduate students is 9 credits per term. Graduate students in a master's degree or doctoral degree program may not enroll in more than 15 hours per term without the permission of the Dean of Graduate Studies. Non-degree graduate students may not enroll in more than nine hours per term without the permission of the Dean of Graduate Studies.

Graduate Assistant Course Load: All graduate assistants are required to take a minimum of nine graduate-level credits each term. Full-time graduate assistants/tuition scholars may not exceed 15 graduate-level credits each term; half-time graduate assistants may not exceed 15 graduate-level credits each term. Graduate assistants may take 15 graduate credits only with approval of the departmental advisor, graduate advisor, and graduate dean. Requests for exceptions to this policy will be decided individually through consultation with the department chair and the approval of the dean of Graduate Studies prior to the beginning of the term.

Declaring a Major

Undergraduate students must declare a major in the first term after completion of 60 credits. Transfer students who transfer in excess of 60 credits must declare a major by the end of their first term at East Tennessee State University. See the college or school of the new major for details and change of major forms.

Change Of Name Or Address

It is the obligation of every student to notify the Office of the Registrar of any change in name or address. Failure to do so can cause serious delay in the handling of emergencies or in receiving mail in a timely manner.

Change of name may only be accomplished by presenting proper legal documentation (marriage certificate, divorce decree or court order) and social security card.

Degree and Graduation Requirements Notice

(Intent to Graduate, Application for the Degree, Exams)

Undergraduate students are required to file an Intent to Graduate form and approved major/minor sheets with the Graduation Office two semesters before the anticipated graduation date in order that a graduation audit can be started. All graduating students will be required to take the Core Exit Exam before receiving their degree and some majors will be required to take an exam in their major field. Students are required to complete these exams. For specific requirements, check with the departmental office of your major.

Graduate Students, see Graduate Student Information section in this bulletin for filing forms. Graduate students are required to submit intent to graduate forms to the School of Graduate Studies by the deadline listed in the graduate catalog.

California Critical Thinking Skills Test (CCTST)

The state of Tennessee requires students attending state-supported colleges and universities to complete a general education assessment as a graduation requirement. ETSU administers the CCTST, California Critical Thinking Skills Test, to meet this requirement. Students may take the CCTST after completing 96 credit hours of coursework. Please be advised that failure to take the exam will result in having your diploma held until this condition is met. Some students may be exempt from the CCTST. For more information, see:

<http://www.etsu.edu/uged/cfaa/assessment/faq.aspx#cctst>

Most students take the CCTST in the Center for Academic Achievement – Testing Services, located on the first floor of Sherrod Library. For hours of operation and guidelines for test-takers, please see:

<http://www.etsu.edu/uged/cfaa/testing/default.aspx>.

Online and distance education students may take the CCTST at an approved offsite location, subject to a small fee. See <http://www.etsu.edu/uged/cfaa/testing/test/cctst.aspx> for more information.

Major Field Test

A Major Field Test (MFT) evaluates students' knowledge in their discipline of study. MFT results help the department and the university to evaluate the curriculum and make improvements where indicated. Students will be contacted by their departments with dates and locations of major field tests. Please be advised that failure to take the MFT will result in having your diploma held until this condition is met.

- The Major Field Tests required for Quality Assurance Funding in 2015-16 are: Anthropology, Human Services, Psychology, and Sport and Leisure Management. Note that these are subject to change.

Veterans' & Certain Veterans' Dependents' Education Benefit Programs

The United States Department of Veterans Affairs (USDVA) has approved all degree and certificate programs offered by the university. USDVA education benefit program beneficiaries desiring payments must contact the Veterans' Affairs office each semester to complete an enrollment certification request and any other required form(s). USDVA claims processing is typically slow and students wanting prompt payment delivery should complete the required forms as soon as possible following registration.

Written inquiries may be sent to the Central Region Processing Office, United States Department of Veterans Affairs, Post Office Box 66830, Saint Louis, Missouri 63166-6830 or electronically at <https://www.gibill2.va.gov>

Telephone inquiries should be directed to 1.888.GI.BILL.1 (442.4551).

Other related services and assistance can be provided by the Veterans' Affairs office located within the Office of the Registrar in 101A Burgin E. Dosssett Hall. Office hours are 8:00 a.m. to 4:30 p.m. weekdays and the office may be reached by telephone at 423.439.6819 and electronically at va@etsu.edu.

Eligibility for Deferment of Payment of Tuition and Fees by Certain Eligible Students Receiving U.S. Department of Veterans Affairs or Other Governmentally Funded Educational Assistance Benefits

Servicemembers, veterans, and certain veterans' dependents that are eligible beneficiaries of United States Department of Veterans Affairs education benefits or other governmentally funded educational assistance, subject to the conditions and guidelines set forth in Tennessee Code Annotated 49-7-104 as amended, may request, upon application, to defer payment of required tuition and fees until the last day of the term. Application for a deferment must be made no later than 14 days after the beginning of the term, and the deferred amount cannot exceed the total monetary benefits expected for the term. Students granted deferments are expected to make timely payments toward tuition and fees once education benefits are being delivered. Eligibility for continued deferments shall terminate if the student fails to abide by the rules or regulations, or to act in good faith in making timely payments. [This notice is published pursuant to Public Chapter 279, Tennessee General Assembly Acts of 2003, effective July 1, 2003.]

Voter Registration

If you are over 18 it's time to register to vote

East Tennessee State University expects its students to participate in their communities in many ways. Being a registered voter is an important way to be involved. To help students with information about how to register, the ETSU Center for Community Engagement, Learning and Leadership has registration forms for voting in Tennessee as well as voter registration information from other states. Contact Deborah Harley at (423) 439-5675 or CELLINFO@ETSU.edu for more information. The Center for Community Engagement, Learning and Leadership is located on the first floor of the D. P. Culp Center.

Student Health Services

Student/University Health Services is a modern College of Nursing nurse managed health care facility. Care is provided by Board Certified Advanced Practice Nurses (nurse practitioners), RN's and a physician preceptor. Health Services located in Suite 160 of Roy S. Nicks Hall. Students who fail to show up for any scheduled appointments will be charged a non-refundable no-show fee.

Cost: Students are not charged an office visit fee, but there are some charges for medications, lab tests and special procedures.

Student Health Clinic services include:

- ◆ Medical and nursing care for acute and episodic illness and injury.
- ◆ Referral for management of chronic disorders.
- ◆ Women's and men's health care programs.
- ◆ Family planning services.
- ◆ Immunization clinics.
- ◆ Health education and self-care programs.
- ◆ Individual health counseling for smoking cessation, diet, weight loss, stress management, and other lifestyle changes.

All registered ETSU students are eligible for health services. For more information about the Student/University Health Services go to <http://www.etsu.edu/studenthealth>

MMR Requirements

Full-time (12 credits or more) college students are required by law to have proof of two doses of MMR vaccine administered on or after their first birthday. Students must provide proof of receipt of the first MMR vaccine dose prior to the first day of class of the student's initial semester at ETSU. Subsequently, the student who is completing the MMR vaccination series as a condition of enrollment must submit receipt of the second dose of the MMR vaccine as soon as possible after the proscribed twenty-eight (28) day waiting period between doses, but no later than the beginning of the next semester.

Note that the following categories of full-time college and university students are exempt from compliance with the MMR immunization regulations:

- ◆ Students born prior to January 1, 1957.
- ◆ Students who attended a public or private school in Tennessee for grades kindergarten through twelve for any period of time on or after July 1, 2001.
- ◆ Students who were previously enrolled as a full-time student at a TBR college or university for at least one full semester after August 1, 2007.

Meningitis/Hepatitis Policy

The State of Tennessee mandates that all students be informed about Hepatitis B infection and Meningococcal Meningitis infection. A waiver indicating that the student is aware of the risks of the diseases and the availability of vaccines for the diseases of hepatitis and meningitis must be signed. The waiver may be signed electronically on **GoldLink** as the student starts to register for classes. **GoldLink** will tell the student that a hold has been put onto his account and will not allow registration. The waiver will then appear for completion. After completion of the waiver, the student may resume registering. If the student is **less than 18 years of age** the waiver may be obtained from the web **site of Student Health Services calling Student Health Services (423-439-4225)**. **A parent must sign the waiver if the student is less than 18 years of age, but the State of Tennessee does require completion of this waiver even if you have received these vaccinations.** The waiver may be faxed to Student Health Services at 423-439-4560. The law does not require hepatitis or meningitis vaccinations for enrollment at this time.

For more information on Immunization Requirements, go to http://www.etsu.edu/nursing/shserv/about/Immun_Requirements.aspx

Varicella Requirements

If you were born on or after January 1, 1980, to be a full-time enrolled student, you must provide proof of two doses of the Varicella (Chicken Pox) vaccine or physician signed documentation of a history of the disease. If you cannot provide this documentation, you may provide proof of the results of a positive titer from a medical laboratory or a provider's office for this disease. Students born before January 1, 1980, or if you are a fulltime online only student, you are exempt from the Varicella requirement. You will have to complete the On-Line Only Immunization form and submit it to the Registrar's Office.

All new, incoming students must receive two doses of the Varicella vaccination, which are given at least 28 days apart. ETSU will allow students to register for full-time courses for one semester if they have had only the first dose of the Varicella and the first dose of MMR; however, the second vaccination must be administered before they can register for the following semester. Please complete the One-Semester Only Immunization Waiver if you have received the first dose of both of these vaccinations. Persons who believe they had chicken pox in the past must present medical documentation to ETSU Student/University Health Services from a medical practice or health department. Those who are unable to show proof, or are not sure if they have had the disease, can have a titer, or blood test, which would indicate if the person has immunity. Students who have been admitted to ETSU can have the titer done at ETSU Student/University Health Services or any local health department.

A Religious Exemption form is available from Student Health Services or a Temporary Medical Waiver may be obtained for women who are pregnant or breastfeeding. A student may also receive a Medical Exemption for cases of severe medical conditions or adverse reactions related to immunizations. Those individuals should contact ETSU Student Health to arrange for the waiver. Students who will be taking only online and distance-learning courses will also be exempt but must sign a waiver each semester. These waiver forms are available on the ETSU Office of the Registrar Web site at www.etsu.edu/reg/.

Immunization Requirements Status

Proficiency Intensive Information

ETSU requires all students to take courses in their majors and across the curriculum that offer concentrated experience in oral communication, writing, and using information technology.

Students who enter ETSU as freshman or with less than 50 transfer hours must take:

- 2 oral communication-intensive courses, of which at least one must be in the major
- 1 using information-intensive course in the major
- 4 writing-intensive courses. At least 2 of these must be in the major; at least 2 must be at the 3000-4000 level.

Students who transfer to ETSU after earning an associate degree or 50 or more hours of transfer credit must take:

- 1 oral communication-intensive course
- 1 using information-intensive course
- 2 writing-intensive courses

The reduced proficiency-intensive requirements also apply to readmission students with 50 or more hours, whose last term of enrollment at ETSU was prior to 1995. Students must meet proficiency-intensive requirements through courses taken at ETSU.

How to View Intensives on GoldLink

Go to <http://www.etsu.edu/reg/academics/intensivecourses.aspx> for a complete list of instructions.

Oral communication, information technology, and writing skills are essential for success on the job and in our personal lives. To help build these skills throughout the college years, ETSU requires all students to meet "proficiency-intensive" requirements. These requirements do not necessarily add course hours to a student's program of study, but typically are met by courses being taken for the major or general education or as electives. Certain courses within every major, as well as selected courses in the general education core, are declared oral communication-intensive, using information technology-intensive, or writing-intensive. These courses offer students the opportunity to practice the identified skills while learning the subject matter of the course. ETSU's proficiency-intensive courses are indicated on GoldLink each term. ETSU's proficiency-intensive requirements do not apply to students pursuing second baccalaureate degrees.

A Master Table of Proficiency-Intensive Courses is now available at <http://www.etsu.edu/uged/gened/default.aspx>
