## Fall ACT Dates

If you need to retake the ACT make sure you register before the due date. Each school will also have an additional senior ACT day so make sure to ask your school counselor.

**October 26th**  
Register by 9/20

**December 14th**  
Register by 11/8

# Scholarship Applications

Institutional scholarship applications will start opening soon, most **October 1st**. This is one application that puts you in the running for many scholarships from the university itself. If you are seriously considering a school make sure to complete their scholarship app as soon as it opens!

## Tips!

- Update your college resume
- Check your e-mail often and delete junk mail to make important stuff easier to find
- Keep your grades up! Remember you must have a 3.0 OR 21 ACT to remain HOPE scholarship eligible

Have you registered yet for Tennessee Promise? Ask your counselor or UB visit rep for help!
