Spring Checklist

- Complete any unfinished college applications
- Attend mandatory Tennessee Promise meetings at your school (most of you should have already attended your first meeting!)
- Apply to ETSU if you haven't already done so if you plan to bridge or come here in the fall
- Complete the 25-26 FAFSA if you haven't already done so (FAFSA deadline for TN Promise is **April 15th!**)
- Once you've completed your FAFSA, check your email for your **Student Aid Report** (SAR), verify that it's correct, and see how much Pell Grant you are eligible for.
- Continue to complete available institutional **scholarship** applications (most deadlines are **March 1st**, including ETSU!)
- Continue checking your **student email** and **student portal** each week for important information regarding financial aid, orientation, etc.
- Make a final decision about which college to attend
- Make sure your school of choice has your best/most up-to-date ACT scores (this is very important for scholarship and Learning Support reasons!)
- Sign up for **orientation** at your college of choice. If you are bridging, you will register for the **May 16th** ETSU orientation even if you are attending another school in the fall (see more details in Bridge section). **UB will cover the cost for you plus one (1) guest to go to orientation on May 16th.**
- Submit documentation of the **immunizations** required by your college
- Male students: **register with the Selective Service** as soon as you turn 18 (www.sss.gov). Failure to register will prevent you from signing up for classes.
